ACCOMMODATIONS

An excellent feature of this Tournament is the good range of hotels available to teams and supporters, in the centre of San Sebastian. All Action Youth groups stay in good 4-star hotels. The normal Tournament policy is to use different hotels for Players and Adults - but Action Youth groups are together! All rooms have air-conditioning, private bathroom, telephone, TV and radio. Some hotels have a swimming pool and balconies.

- + **Players & Coaches:** Based on 3 players per room, including 1, 2 or 3 meals daily.
- + **Families:** Based on 2 persons per room, B & b basis.
- + **Single rooms** are available, but at an extra cost.

SPECIAL DISPENSATION

1. This tournament allows all teams to utilise up to **2 older players** who are born in the year previous to each age-group. For example, in the B14 age-group (1.1.95), 2 players can play who were born in 1994.
2. In addition, in all age-groups, teams who use **August 1st** deadline (like USA, Canada and England) may also use players born between August 1st and December 31st of the year preceding that age-group.
